At Thunderbird, we want you to be completely satisfied with your Formula Gear purchase. But if you're not for any reason, just send it back within 30 days of receipt for exchange or refund. To speed your return, please complete the following information. There are no additional shipping charges on exchanges.

1. If possible, please use the original shipping box and package materials.

For your convenience, a return label has been provided at the bottom of this form.

2. Keep a copy of the above information for your records and **enclose this portion with your returned merchandise along with the invoice.**

3. For your protection, return the product insured via UPS or U.S. Mail. Please be sure to keep your receipt to assist you in tracking your return package.

Please cut here for an address label ↓
